#8877 – New Rolling Shower Base for larger sizes CONTOUR[™] DELUXE[™] and SUPREME[™] bath chairs

Columbia Medical has long been committed to providing a wide range of bathing equipment to meet the needs of users and caregivers in a variety of home environments. In this effort, our focus continues to be on bathroom safety and ease of use.

A new addition to our bathing equipment product line is our new larger PVC Rolling Shower Base, model #8877. This base has a wider frame at the bottom for increased stability for use with our larger PVC bath chairs, i.e. #8710 Large Supreme[™] Reclining Bath Chair and #8700 Large Deluxe[™] Tilt-in-Space Bath Chair.
